From 3 to 4 May, CNRED organized a new training session with the representatives of County School Inspectorates and the Bucharest School Inspectorate in the aula "Sergiu T. Chiriacescu" of Transilvania University of Brasov.

The purpose of the meeting was to provide assistance for procedures for the equivalence of periods of study abroad, which corresponds to high school education and post-secondary and post-secondary studies with a diploma. These procedures are currently being carried out by the School Inspectorates.

CNRED thus continues the information actions on the implementation of the procedures for the equivalence of studies abroad.
