[From 19th to 21st September, CNRED organized in Bucharest new training sessions for IMI and RegProf users](#)

At CNRED's initiative, representatives of relevant and competent authorities registered in the Internal Market Information System (IMI) took part in the training sessions held in Aula *Magna* at "Titu Maiorescu" University in Bucharest from 19th to 21st September.

During these days, the representatives of Higher Education Institutions, County School Inspectorates, County Agencies for Payments and Social Inspection, County Agencies for Employment, Regional Centers for Adult Vocational Training, County Public Health Directorates and Competent Authorities for Regulated Professions have received training for the use of the IMI System for Recognition of Professional Qualifications modules (information requests, electronic registers, notifications, alerts for falsified diplomas and professional sanctions, European Professional Card), but also with regard to the electronic Point of Single Contact and the European Database for Regulated Professions.
