[CNRED launches the annual series of regional training sessions for IMI users in Iasi](#)

During 9-10 May, at the invitation of CNRED, representatives of the authorities registered in the [Internal Market Information System](#) participated in the training session for IMI users in "George Emil Palade" Hall of the "Gr.T.Popa" University of Medicine and Pharmacy in Iasi.

During these days, representatives of higher education institutions, County School Inspectorates, County Agency for Payments and Social Inspection, County Agencies for Employment, County Public Health Directorates and Competent Authorities for regulated professions have received training for the use of the IMI system modules for the recognition of professional qualifications (requests for information, electronic registers, notifications, falsified diploma alerts and professional sanctions), but also in respect of [Single Digital Gateway](#) and [Single Electronic Contact Point](#).
