[CNRED, 20 years of "Correct information - the key to recognition of studies"](#)

The National Center for the Recognition and Equivalence of Diplomas recently celebrated 20 years of activity, 20 years of "Correct information - the key to the recognition of studies". On this occasion, CNRED handed over to the collaborators, public authorities, higher education institutions, professional bodies, Certificates of appreciation for the constant partnership and the active role in developing and supporting the recognition of the studies.

CNRED will continue to promote national good practices on professional and academic recognition in correlation with international standards and requirements, in order to provide citizens with a quality, transparent and coherent public service.
