[CNRED participated in the launch meeting of the project "Comparing qualifications for a fair recognition 2 \(QUATREC 2\)"](#)

On January 19 this year, the launch meeting of the project "Comparing qualifications for a fair recognition 2 (QUATREC 2)", funded by the Erasmus+ program, action 3, a project for members of the network of National Centers of Education, took place online. ENIC / NARIC recognition, in which CNRED is a partner with Latvia, the United Kingdom of Great Britain and Northern Ireland, Bulgaria, Lithuania and Armenia.

The main objective of this project is to facilitate the use of learning outcomes in the assessment of diplomas issued by higher education institutions for equitable recognition by employers. Another objective of the project is to capitalize on the conclusions and recommendations resulting from QUATREC 1 in order to develop and pilot a methodology for the use of learning outcomes.

On this occasion, the project partners discussed how to carry out the project activities, but also the technical elements for the proper implementation of the project. More details about the project can be found [here](#).

The project calendar includes, among others, for Romania to host, during this year, the first meeting in which the progress of the project will be analyzed, respectively the content of the methodology regarding the comparison of learning outcomes, to be elaborated by the participating states.
